## Fast Food Genocide: How Processed Food Is Killing Us and What We Can Do about It (Hardback)

By Dr Joel Fuhrman, Robert Phillips

HarperOne, 2017. Hardback. Condition: New. Language: English . Brand New Book. From the #1 New York Times bestselling author of Eat to Live and The End of Diabetes, an unflinching, provocative exploration of how our food is killing us and the ways in which we are unwitting participants in an unprecedented and exploding health crisis. Fast food is far more than just the burgers, fries, and burritos served at chain restaurants; it is also the toxic, human-engineered products found in every grocery store across America. These include: cold breakfast cereals; commercial and preserved (deli) meats and cheeses; sandwich breads and buns; chips, pretzels, and crackers; fried foods; energy bars; and soft drinks. Fast foods have become the primary source of calories in the United States and consequently the most far-reaching and destructive influence on our population. The indisputable truth is that our highly processed diet is the source of a national health crisis that is exploding into a genocide with unseen tragic implications. Heart attacks, strokes, cancer, obesity, ADHD, autism, allergies, and autoimmune diseases all have the same root cause - our addiction to toxic ingredients. New York Times bestselling author, board-certified physician, nutritional researcher, and leading voice in the...
