Have you been struggling with strange thoughts in your mind? Do you find it difficult to make progress in life? Have you been questioning yourself on how you can become a better person and how you can become successful in life? One of the most greatest instrument man has ever had is the power to use the mind and imagination. The success stories of great men all started from a single idea which eventually over the years becomes a great empire. Many find it difficult to face and overcome the challenges they have in life because they look at the wrong source. If they could actually sit down to think through their challenges, I believe they can come up with a solution. Many find solutions where they are not suppose to look at, not knowing the solution is right in them. One way one can achieve great success in life and live the dream he or she once imagine is to use the power of his or her mind and imagination to create the beautiful dream they want to live. Great men such as Bill Gates, John Assaraf, Steve Jobs etc., are men that once where nothing but only use the asset (the mind) they have to achieve what they have and become now. It only takes them to use their mind to get what they want. The reason this book has been written is for many to understand that they can actually be what they want to be if they put their mind to...
