Growing Up on the Farm (Paperback)

By Henry Skupin

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Growing up on the Farm will rekindle fond memories for seniors and provide a useful device for stimulating discussions of childhood experiences with their offspring. My uncle is now 89 years old and he found these stories about life leading up to 1960 very exciting and enjoyed discussing his own experiences from that time with his children, grandchildren and great grandchildren. Readers who share this book with their elders can use its stories to bring forth memories about their family lore that might have never been discussed. A remarkable transition took place on farms across the USA as recently as the 1940 s and 1950 s. At the beginning of that period most rural homes did not have electricity or running water and most farmers still used mules to farm about 50 acres or less. Very few had electric lights, refrigerators, indoor toilets, telephones, and, of course, and no one had central heat and air, TVs, or computers. Tractors were being introduced and the size of the average family farm was exploding. Technology was having an impact on all aspects of farm life...

Reviews

The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Vincenza Hand**

Good electronic book and valuable one. It generally is not going to charge an excessive amount of. Its been developed in an remarkably straightforward way and is particularly simply following i finished reading this ebook through which really transformed me, change the way i think.
