## CHASING SHADOWS

Charles K. Wallace. Paperback. Condition: New. 286 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. What makes a tyrant His genes Probably not. His home and family Maybe. His environment and childhood. Maybe not. His peers Possibly. What he learns from his parents and his teachers Certainly. What he learned from his friends and his foes Definatly. How he puts the knowledge he has learned from all these sources to use Absolutely. Then, once the tyrant is made, how do we stop him Sometimes we sit around the house or the places where we meet our friends and complain about the government and taxes and anything else we can think of to complain about. Most of us arent old enough to remember Hitler and his fixation with the Jews and his twisted beliefs that the Jews caused all of Germanys troubles. Sometimes I sit and think, What if What if Hitlers fixation was with English speaking people. It seems to me that these people would have been easier to find in German speaking Germany than German speaking Jews. What if Hitler had been born in England or The United States of America Would the people of these countries have listened to his demented rantings You dont think so Well maybe not in the 1930s, but what about a century later. What if the Hitler figure was born and raised in the United States. What if he really looked and talked like a nice guy, he didnt beat his fists and scream like a madman. What if he made a good sounding series of points that told the citizens that their troubles of the age were attributed to a particular race or group of people living in the United States OF course our immediate response is to say, No, not me! But with...
