

Orangevale CA Images of America

By Paul J. P. Sandul

Arcadia Publishing. Paperback. Condition: New. 128 pages. Dimensions: 9.2in. x 6.5in. x 0.4in. Nestled between the capital city of Sacramento and California's famous Sierra foothills, Orangevale continues as a semirural community in the ever-suburbanizing Sacramento Valley. Some of Sacramento's most prestigious captains of industry formed the Orange Vale Colonization Company in 1887 to sell off this agricultural colony. With promises of a water system, modern infrastructure, and beautiful homes, these boosters advertised a pastoral paradise where colonists could grow prized crops, escape the buzz of the city, build a home, and raise a family in the country without sacrificing a short commute. Farming remained profitable until nature wreaked havoc during the Depression by freezing most of the harvest. While some crops and orchards survived, the construction of bridges, highways, and large business centers gradually transformed this simple town into a modern suburb, where residents still enjoy a rural, small-town feel. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This book may be worth buying. I have read and I am confident that I am going to plan to go through once more once again in the future. It's been written in an exceptionally easy way and it is simply soon after I finished reading this publication in which it actually altered me, modified the way I believe.

-- **Faye Shanahan**

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily able to get a satisfaction of looking at a composed publication.
