

## Cracking the Corporate Code: The Revealing Success Stories of 32 African-American Executives

By Price M. Cobbs

AMACOM/American Management Association. Paperback. Condition: New. 304 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Over the last few decades, advances by African-Americans in the business world have been both impressive and well-documented. But even a cursory glance at the statistics -- not to mention a look around most corporations -- reveals that, despite much progress, minority executives are still relatively few and far between. Whether in the form of insensitivity, change-averse corporate cultures, socio-economic factors, or outright racism, African-Americans still face very real obstacles along the path to professional success. To many, these obstacles have seemed insurmountable, and their careers have foundered. But to thousands of others, these challenges have been an invitation to excel, and their accomplishments have been worthy of both praise and emulation. Cracking the Corporate Code delves deeply into the lives and careers of 32 such notable professionals. These are not the men and women usually cited: the high-profile government officials, the legendary civil rights pioneers, or the megastar athletes who have leveraged their on-field success into positions of leadership. The authors have chosen instead to profile individuals who have risen through the ranks of America's most noteworthy businesses, to the highest echelons of corporate power and...
