For Mattie Keith it's the best and the worst of times. She should be reveling in the joy that one of her closest friends is getting married. Instead, she's being sued. All because of the three kids she recently inherited. She's trying to do what's best for them, even if it means fighting in court with the children's uncle, Dr. Finn Wallace. None other than Mattie's first and last crush. Yes, Finn's heart is in the right place. But can't he see that by living with him, the kids won't have what they have here in Valley Ridge--a real home? While Mattie's trying to show Finn what he's missing, she's also trying to fight her growing feelings for him. Is he standing in the way of her happiness, or is he her happiness in disguise?
