Gryff Publishing, Ltd. Paperback. Condition: New. 396 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. My name is Landon Wicker. Almost a year ago, I learned I was psychokinetic. I can lift objects with my mind, hear peoples thoughts, and even fly if I concentrate hard enough. Because of what I am, I was brought to a secret facility--the Gymnasium--where, with hundreds of others like me, I am trained in how to control my abilities. Then, six months ago, I was recruited into the Pantheon, an elite group of psychokinetics who secretly work for the U. S. government, running operations to maintain the nations security and superiority. I thought I was doing my part. I thought I'd found a way to redeem myself after killing my parents. But then I met Artemis, super spy and number one threat to the Pantheon. How could I have known she was also one of my best friends She showed me the truth. The Pantheon and the Gymnasium may not be what they claimed. . . . And I might actually be the enemy I thought I was fighting against. Now, I'm a double agent working with Artemis to find a way to bring them down. But no one said it would be easy, and with every discovery, the extent of the Gymnasiums lies and deception only deepens. I'm beginning to wonder if we'll ever find a way to stop them.
