## RATIFYING THE REPUBLIC: ANTIFEDERALISTS AND FEDERALISTS IN CONSTITUTIONAL TIME (PAPERBACK)

DOWNLOAD

Stanford University Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ratifying the Republic explains how the United States Constitution made the transition from a very divisive proposal to a consensually legitimate framework for governing. This story has never been told in its entirety, mainly because the transition seemed so seamless. But the Federalists proposal had been bitterly opposed, and constitutional legitimation required a major transformation. The story of that transformation is the substance of this book. The progression of constitutional contexts triggered new responses from participants in the ratification debate which led to legitimation. Antifederalists had been loath to scrap the Articles of Confederation because of their conservative approach to the rule of law. After ratification, this same conservative predisposition led them to agree to abide by the newly legalized Constitution and instruct their followers to do the same. Implementation of the Constitution yielded other responses which bolstered the document. For instance, this progression in constitutional time exposed incomplete views within the Federalist camp about how a constitution should be treated in practice. James Madison believed the Constitution fairly clearly distinguished federal powers from those retained by the states; successful constitutionalism dictated preserving that division. In contrast, Alexander Hamilton thought that a constitution that split sovereignty between the states and the nation was inherently unstable. His hope was to salvage the Union by extending national power, a project directly contrary to Madison's more static view. Madison and these Federalists who agreed with him joined with the former Antifederalists to become the Republican party. This alliance held the remaining Federalists to their well-publicized ratification debate argument that the Constitution was a grant of limited, specific powers only. This new alliance had sufficient strength to contemplate taking the reins of government...
