Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Princess Me is a feel-good story for girls. It s about a sweet little girl who, like many young girls, has fantasies about being a little princess. However Princess Me was told that she could not be a princess as she did not have certain physical attributes, as portrayed by the media. Not only did this make Princess Me sad, it also made her doubt that she could aspire to be something she loved because of her physical appearance. Through interactions with her family and teacher, Princess Me learns a valuable lesson that all girls must: there is more to being a princess than what meets the eye. This book teaches children social acceptance - regardless of their physical attributes - and the beauty of positive behavior and characteristics, all of which, when applied, encourages self esteem. Filled with colorful and eye-catching pictures, and hidden inspirational messages, Princess Me is an engaging way to show kids that it s okay to be different. This book is dedicated to teaching children the true meaning of beauty.
