

Not So Fast: Parenting Your Teen Through the Dangers of Driving

By Tim Hollister

Chicago Review Press, United States, 2013. Paperback. Book Condition: New. New.. 213 x 137 mm. Language: English . Brand New Book. Most driving literature for parents focuses on how to teach a teen to drive, without explaining why teen driving is so dangerous in the first place or giving parents a plan to preempt the hazards teens face. By contrast, Not So Fast empowers and guides parents to understand the causes and situations that most often lead to teen crashes and to take specific, proactive steps-- before and each time a teen driver gets behind the wheel --to counteract them. This authoritative guide tackles hot button issues such as texting and distracted driving, parenting attitudes (conscious and unconscious), and teen impairment and fatigue--and includes a combination of topics not found in other teen driving guides, such as: How brain development affects drivingWhy driver sed does not produce safe driversHow and why to prepare a flight plan for each drive before handing over the keysHow and when to say no Proceeds from the sale of this book support the Reid Samuel Hollister Memorial Fund, which subsidizes infant and toddler education in greater Hartford, Connecticut, and worthy traffic safety causes.
