Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

SNOW HILL

DOWNLOAD

HarperCollins Publishers, United Kingdom, 2011. Paperback. Book Condition: New. 196 x 130 mm. Language: English . Brand New Book. An atmospheric crime novel set in 1930s London where the mysterious death of a policeman exposes a wider world of vice and corruption. Friday, 18 December, 1936. I went to my funeral this morning. So begins the diary of John Steadman, an ambitious young journalist in London. When he gets a tip-off about a murdered policeman, he thinks he's found his scoop. Trouble is, no-one else seems to know anything about it or they're not telling. Then John finds someone willing to talk. At least, someone who was. Now they're hanging from a meat hook in a refrigerated locker and John's on the verge of a front-page scandal that will make or break his career. But to get to the heart of this dark story, he must first go undercover. Six feet undercover, to be precise. Based on a shocking true story, Snow Hill vividly brings to life a London you never knew about - an underworld that doesn't officially exist and until now has never been documented.
