

Enigma Variations (Paperback)

Filesize: 5.15 MB

Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
(Lexie Paucek PhD)*

ENIGMA VARIATIONS (PAPERBACK)

St Martin s Press, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. From Andre Aciman, the author of *Call Me by Your Name* (now a major motion picture) comes a sensory masterclass, absorbing, intelligent, unforgettable (*Times Literary Supplement*). *Enigma Variations* charts the life of a man named Paul, whose loves remain as consuming and as covetous throughout his adulthood as they were in his adolescence. Whether the setting is southern Italy, where as a boy he has a crush on his parents cabinetmaker, or a snowbound campus in New England, where his enduring passion for a girl he ll meet again and again over the years is punctuated by anonymous encounters with men--whether he s on a tennis court in Central Park or on a New York sidewalk in early spring. Paul s attachments are ungraspable, transient, and forever underwritten by raw desire. Ahead of every step Paul takes, his hopes, denials, fears, and regrets are always ready to lay their traps. Yet the dream of love lingers. We may not always know what we want. We may remain enigmas to ourselves and to others. But sooner or later, we discover who we ve always known we were.
