Kids, submit your art at When Matt and Christian, just ten and eight years old, find themselves in a land known as Lithaea, it all seems innocent enough until they enter the Master s Cave and find out about the coming Tribulation in their own world. Now they re told that the only way they can help prevent war is to find The 7. Easier said than done when everyone they meet seems to know about The 7 but not know what or who they are, whether they exist, or whether they can be found. Join the two as they meet Starlock 72 and the jokester twins known as Trickery and Answers; as they learn what a wisp is; and as they head toward the haunted forests to find the Grove, where a dark reception is said to await them.
