Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Weird scenes inside the cuckoo s nest. At a psychiatric ward, a patient is taking matters into her own hands. and raising the dead? That can t be true! Or maybe it is, the true beginning of the Cambridge People s Republic. Part anarchist realism, part autobiography, part 3-D abstract expressionism, MARTYR IN G MINOR defies lazy-minded labeling. It is the first installment of what will be the Merde à Dieu Cycle. Those who have read the play say that it is neither fish nor fowl. It is, first and foremost, an experience - a screwball comedy for cynics.
