This short and compelling guide is an essential companion to achieving more rewarding, meaningful, and mutually satisfying business and personal relationships and outcomes. Donaldson introduces his remarkably effective Wish-Want-Walk Method, which has been successfully presented in seminars around the world: WISH-set a goal for the negotiation WANT-know where the market is most likely to push the results WALK-draw the line that you will not cross "Wish, Want, Walk" will be your guide, telling you when to start the bidding, when to quit while you're ahead, and when to cut your losses. Donaldson also shows you how to make the most of your time between creating your Wish-Want-Walk plan and when you go into the negotiating session.
