CHILDREN OF THE WHALES, VOL. 2 (PAPERBACK)

[DOWNLOAD](#)

Viz Media, Subs. of Shogakukan Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. In this post-apocalyptic fantasy, a sea of sand swallows everything but the past. In an endless sea of sand drifts the Mud Whale, a floating island city of clay and magic. In its chambers a small community clings to survival, most dying young from the very powers that sustain them. It is Year 93 of the Sand Exile, but the implications of that calendar is only now sinking in for Chakuro. Imperial soldiers from the Allied Empire have appeared from nowhere, with orders to kill all the criminals of the Mud Whale! The committee of elders knows why this is happening, but they still won't explain to the young Marked of the island. And the elders would rather see the Mud Whale sink forever to the bottom of the sea of sand than leave them all to the hands of the Empire. A gripping post-apocalyptic fantasy adventure in the vein of Nausicaa. * Releases 6 times a year for 9+ volumes. Series is ongoing. * Anime begins airing in October 2017 and will stream on Netflix. * For fans of Hayao Miyazaki, Moebius, Garth Nix, Phillip Pullman, Tamora Pierce. * Ties into the ongoing trend of postapocalyptic stories with YA protagonists such as Hunger Games, Divergent, The 100, The Knife of Never Letting Go and The Last of Us. * The European-comics-influenced art and fantasy setting lend this title crossover potential for mainstream comics readers.
