Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Duality grayscale/greyscale coloring book is based on the images from the original Duality Deck - artist oracle cards by Tanya Bond. It has 26 images from the deck followed by the description/meaning and lined area for journalling. In the end of the book there are 9 extra images from the Red Dot series at the back. Please note that GRAYSCALE colouring is not for everyone! The images in it are converted into a LIGHT GRAYSCALE and have been tested by colourists. Light grayscale is more suitable for experienced colourists. If you are only starting out please choose my contrast edition Duality grayscale book which you can find from my author s page. Please check my facebook page - Tanya s Charming Creatures - to have a look inside the book and see what type of greyscale this is. All the images are SINGLE SIDED . Most of the images are portraits of women, with a few animals among bonus pages This book is based on an independently published oracle cards - Duality Deck - that s available directly from the artist (on Etsy). The cards and this book can be enjoyed individually without the need to have both products.
