Bacteria from Jafarabadi
Buffalo Rumen Fluid

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Isolation and Characterization of Cellulase Producing Bacteria from Jafarabadi Buffalo Rumen Fluid | Rumen, also known as a paunch, is the largest part of reticulorumen and first chamber of the alimentary canal in ruminant animals. Digestion in reticulorumen is a complex fermentation process executed by microbes present in rumen. The reticulorumen is one of the few of organs present in the animals which digest cellulose and other recalcitrant carbohydrates, also is the...

Reviews

Simply no phrases to clarify. It is really basic but surprises from the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
