### ***Reviews***

*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## TO WIN A WAR: 1918, THE YEAR OF VICTORY

Cassell. 1 Paperback(s), 2008. soft. Book Condition: New. For the war-weary Allies, 1918 was a galvanizing year of victory, as the author of Douglas Haig: The Educated Soldier and The Road To Passchendaele posits here, beginning with the defensive victories of the British and the French against the last desperate offensive launched by the Germans. Then came the turning point of French Marshal Foch's counteroffensive on the Marne, followed by Haig's great attack on August 8th ("the black day of the German Army"), the breaking of the Hindenburg Line, and the pursuit of the defeated German army across the wastelands created by the war. In his perceptive, sometimes challenging book, John Terraine places the honor of winning the war with the British army. 284.
