Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

Paperback. Book Condition: New. Not Signed; Towards Baptist Catholicity: Essays on Tradition and the Baptist Vision contends that the reconstruction of the Baptist vision in the wake of modernity's dissolution requires a retrieval of the ancient ecumenical tradition that forms Christian identity through liturgical rehearsal and ecclesial practice. This book submits that the proposed movement towards catholicity is neither a betrayal of cherished Baptist principles nor the introduction of alien elements into the Baptist tradition. Rather, the envisioned retrieval of catholicity in the liturgy, theology, and catechesis of Baptist churches is rooted in a recovery of the surprisingly catholic ecclesial outlook of the earliest Baptists, an outlook that has become obscured by more recent modern reinterpretations of the Baptist vision and that provides Baptist precedent for a more intentional movement towards Baptist catholicity today. --BOOK JACKET. book.
