Hudson Printing Company, 2016. Paperback. Condition: New. Language: English . Brand New Book. In the midst of suffering and trials in life, we can feel lost ]] abandoned. Life s unexpected twists and turns cause us to focus inward. Shut down and just survive. But there is hope. Finding Hope in the Journey is written for anyone who has felt despair, yet yearns for assurance. Experience with depression, chronic pain, a son returning home early from a mission and other difficult journeys gave author Heidi Tucker reason to lose faith. But through her struggles she found healthy patterns which positioned her heart to see God s hand in her life. Finding Hope in the Journey teaches us how to see, hear and feel those quiet, tender moments of hope. The friendly style of writing is easy to embrace as principles are taught and reinforced through true stories. This book will inspire you to rise up and find new strength, courage and determination to move forward as you implement tools to recognize messages of hope from God.
