FOOL S ERRAND: TIME TO END THE WAR IN AFGHANISTAN (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

In Fool s Errand, Scott Horton masterfully explains the tragedy of America s longest war and makes the case for immediate withdrawal. I highly recommend this excellent book on America s futile and self-defeating occupation of Afghanistan. - Daniel Ellsberg, Pentagon Papers whistleblower and author of Secrets: A Memoir of Vietnam and the Pentagon Papers The real story of the disastrous U.S. war in Afghanistan must be written so that future generations may understand the folly of Washington s warmongers. Scott Horton s Afghan war history is an important contribution to this vital effort. - Ron Paul, M.D., former U.S. congressman and author of Swords into Plowshares: A Life in Wartime and a Future of Peace and Prosperity Scott Horton s, Fool s Errand: Time to End the War in Afghanistan, is a definitive, authoritative and exceptionally well-resourced accounting of America s disastrous war in Afghanistan since 2001. Scott s book deserves not just to be read, but to be kept on your shelf, because as with David Halberstam s The Best and Brightest or Neil Sheehan s A Bright Shining Lie, I expect Horton s book to not just explain and interpret a current American war, but to explain and interpret the all too predictable future American wars, and the unavoidable waste and suffering that will accompany them. - Capt. Matthew Hoh, USMC (ret.), former senior State Department official, Zabul Province, Afghanistan, Senior Fellow at the Center for International Policy Fool s Errand is a hidden history of America s forgotten war, laid bare in damning detail. Scott Horton masterfully retells the story of America s failed intervention, exposes how Obama s troop surge did not bring Afghanistan any closer...
