Drawing on extensive research and the author's own experience of being adopted, "What to Expect When You're Adopting." does not gloss over the realities of the adoption process, but rather leads parents through the many stages and emotional aspects involved and offer practical and sensitive advice allowing you to: make crucial decisions with confidence; build a strong foundation for your family; separate the myths about adopted children from the realities; and, discover the key to healthy attachment with your child. Dr Ian Palmer will also deal with the issues of single-parent adoption, infertility and, unusually, the option of remaining childless.
