Jojo s Flying Side Kick

By J. Brian Pinkney

SIMON SCHUSTER, United States, 1998. Paperback. Book Condition: New. Original ed.. 272 x 211 mm. Language: English . Brand New Book. It was a day when Max didn't feel like talking to anyone. He just sat on his front steps and watched the clouds gather in the sky. A strong breeze shook the tree in front of his house, and Max saw two heavy twigs fall to the ground. So begins this story of a young boy's introduction to the joys of making music. Max picks up the sticks and begins tapping out the rhythms of everything he sees and hears around him . . . the sound of pigeons startled into flight, of rain against the windows, of distant church bells and the rumble of a subway. And then, when a marching band rounds Max's corner, something wonderful happens. Brian Pinkney's rhythmic text and lively pictures are certain to get many a child's foot tapping, many a youngster drumming.

Reviews

These types of publication is the greatest publication readily available. It is among the most amazing book i have study. Your lifestyle span will be convert as soon as you complete reading this pdf.
