Believe it or not, grapes are just about the only fruit, which can be eaten in large quantities, without any sort of harmful side effects. The magic about grapes is that not only is this considered to be an extremely good way which you can cure yourself, but it is also such a good and delicious, easy to eat fruit, that even fussy and finicky eaters who touch fruits and vegetables very rarely cannot resist a fistful of grapes. The history of grapes goes back as long as mankind existed. In prehistoric times, grapes were gathered in the jungles, before man decided to cultivate them in his vineyards or gardens. The Bible says that Noah grew grapes on his farm. But before that, the classical age of Greece had already assigned a God...
