Brand New Book ***** Print on Demand *****.Poetry has no precedent for the voice in Letters from Aldenderry. Colloquial and demotic, it takes pride and pleasure in the sound of American, but it is emphatically from elsewhere in its joyful symmetries. What astounds is the multiplicity of Nikolayev s registers and his command of perfect verbal pitch. This is cosmopolitan one-man theater at its best. Life is all there, its whole nine yards from birth to shock to recovery, from thoughtful conversation and intimacies of the soul to standup guffaws and punning provocation. Filled with an organic fusion of extremes, with healthy experimentation and a history of poetic forms that looms behind every line, this book is an apotheosis of freedom that shuts the gaping gulf between lyric and avant-garde. The poems are about what has been lost and found and is worth keeping: creative solitude, empathy, love, pain and laughter, the poetic experience itself. Words do not swallow the reader in an avalanche of consciousness, they flow to a varied musical rhythm and make sense. The overall impression is integral and wholesome. The work succeeds at modeling a persuasive modern hero-a far-flung, uprooted emigre intellectual who makes his home in diverse languages and cultures and stares at the world through a unique pair of eyes. This type is among the most interesting in current literature, fraught as it is with multiple biography, dialectics, contradictions. A poet can cultivate compassion to the point of sheer self-transformation. Nikolayev is crazy in the best possible sense of the word.
