He had come to the mountains to relax, and he wasn't amused when an accident left him at the mercy of what he could only describe as a Tennessee witch. Jill Stanton had retreated to her grandmother's backwoods cabin and was fast becoming known as a "healer", using natural herbal remedies. But to Grey she seemed whimsical, impulsive - and at times downright crazy. He was a realist, and this woman made love potions. Of course, he didn't believe in them.but that didn't stop him from falling under her spell!.
