Story Merchant Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Lonely and dissatisfied with eternity, Zaki Raxa Palo is an immortal seer from the golden age of the Toltecs, the time during the emergence of the great Lord Quitzalcat. He is alive today because of the arcane secrets he learned. He describes the first twelve days of his instruction in the esoteric as they occurred thousands of years ago, when the tight knot of immortality was unraveled before him and he was taught to wrap it around himself. Although he is a prince with a questionable birthright, once he hits puberty the learned seers and sorcerers around him seize upon the moment as they groom him for kingship. Suddenly, Zaki is forced to learn and take notice of the world around him; no longer can he be the isolated and lazy boy he was. Accompanied by his pet, Chahel, an orphaned jaguar, he is led into the reality of myth. The lead instructor of wisdom, the Cabicacmotz, introduces him to the frightening practices of the Toltecs. Who knew that awareness could dwell in one's shadow? Zaki has seen a few games of Bateh, the deadly ball-game, but he has never seen it as it is meant to be played, where intent can propel the ball towards the goal and defeat can be complete. On the day of the Festival of Adults, a private affair within the tribe, he sees the royal team upon the grand ball court. The Cabicacmotz leads him around the festival to receive omens from different groups he must learn from. The Chuchmox will teach him gazing, the sneaky Etamanel Evan will make him smoke a spiky plant, the Balam Ch Ab...
