Nine Foot Voice. Paperback. Condition: New. 152 pages. Dimensions: 8.3in. x 5.2in. x 0.7in. It made no sense. I was a successful surgeon. I had all this stuff. Why was my life falling apart? Why was I miserable? I needed to talk to someone, but the only person who would listen was my sister, Amy, and I wasn't in the mood to have another Christ-sandwich shoved down my throat. Through raw and urgent storytelling, Dr. Tom Blee takes us through a small town hospital, an urban trauma center, an inner city murder scene, and the county jail - all as he comes to terms with his own need for healing. From a desperate moment on his knees in prayer to encountering life-changing miracles, we follow Tom as he learns what it means to follow Jesus. Brutally honest at every turn, *How to Save a Surgeon* shows the power of God as He works through Tom and the ragtag crew around him to bring impossible healing to those desperate to receive it. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
