Orion. 1 Paperback(s), 2013. soft. Book Condition: New. "As someone who fell off a chair not long ago trying to hear what they were saying at the next table in a restaurant, I suppose I am obsessively interested in what some might consider the trivia of other people's lives." Remembered for such novels as *Light a Penny Candle*, *Tara Road*, and *A Week in Winter*, Maeve Binchy (19392012) was also a columnist for the Irish Times. From "The Student Train" and "Plane Bores" to "Bathroom Joggers" and "When Beckett met Binchy," these articles span nearly 50 years, and not only display the same warmth, wit, and humanity of her fiction, but also offer fascinating insight into the author herself." This selection of her work represents Binchy's eclectic interests, infectious sense of humor and wry take on social change. A blithe, entertaining collection that will surely delight Binchy's many fans." *Kirkus Reviews* 389.
