History Press (SC), United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. September 17, 1862-- The Battle of Antietam was the single bloodiest day of the Civil War. In the intense conflict and its aftermath across the farm fields and woodlots near the village of Sharpsburg, Maryland, more than two hundred men from Connecticut died. Their grave sites are scattered throughout the Nutmeg State, from Willington to Madison and Brooklyn to Bristol. Author John Banks chronicles their mostly forgotten stories using diaries, pension records and soldiers letters. Learn of Henry Adams, a twenty-two-year-old private from East Windsor who lay incapacitated in the cornfield for nearly two days before he was found; Private Horace Lay of Hartford, who died with his wife by his side in a small church that served as a hospital after the battle; and Captain Frederick Barber of Manchester, who survived a field operation only to die days later. Discover the stories of these and many more brave Yankees who fought in the fields of Antietam.
