Heading home always stirs up mixed emotions for Laney Calhoun. Twelve years ago she left for graduate school, broken-hearted. She found professional success, but positive personal relationships have proved elusive. Running into her ex-boyfriend fans flames she thought long extinguished, and causes a renewed interest in love. Not with Kyle, of course. Never again. But as sparks fly and items of clothing disappear, she scrambles to keep her emotions in check. . . . Now he has a second chance to get it right. Kyle Nixon let Laney slip away once. Their chemistry together is undeniable, but a few days of steamy sex over the Christmas holiday won't be enough to convince her to let him back into her heart. Even if she did trust him again, her medical career is five hundred kilometers away from the hometown that he loves, and the life he once chose over her. Come home to Wardham. Come home to love. This is the first in a series of sexy, modern, standalone HEA love stories.
