Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Discover the Most Captivating-and Untold-Details of American History Did you know that Abraham Lincoln was considered by many to be lazy? Or that Men-and not just women-were accused of witchcraft in early America. Were you aware that the American Revolution didn't actually end the war between America and England? Can you imagine that the West Coast was NOT discovered by Lewis and Clark.like you may have heard? American History is filled with many popular notions and ideas-many of which you and I are familiar with-and most of which are just DEAD wrong. As Americans-or foreigners-we know a pretty set-in-stone story of the events that transpired to create America. However, a little digging and fact finding will show that many of our shared ideas about the Land of The Free are just utterly false. Now, in the illuminating book, real American History is revealed to you for perhaps the first time. We've gone to great lengths to bring forth the true stories, incidents, and facts behind the greatest nation ever to be formed. Inside you'll be taken through a unique journey of the United States-from the early days of the pioneering settlers all the way up until a real estate billionaire and TV celebrity became President-It's all inside. And the nice thing is that American History is not a long, boring, drawn out book that you'll never finish. It's a quick read with all of the most pertinent and untold facts about the U.S. Inside this book you'll discover: How The early settlers weren't the first Europeans to discover California (inside you'll find out who)The birth of the first 13 ColoniesThe mystery...
