Reviews

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

(Mariela Stroman)

Random House USA Inc, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Rick Dockery was the third-string quarterback for the Cleveland Browns. In the AFC Championship game, to the surprise and dismay of virtually everyone, Rick actually got into the game. With a 17-point lead and just minutes to go, Rick provided what was arguably the worst single performance in the history of the NFL. Overnight, he became a national laughingstock--and was immediately cut by the Browns and shunned by all other teams. But all Rick knows is football, and he insists that his agent find a team that needs him. Against enormous odds, Rick finally gets a job--as the starting quarterback for the Mighty Panthers . . . of Parma, Italy. The Parma Panthers desperately want a former NFL player--any former NFL player--at their helm. And now they've got Rick, who knows nothing about Parma (not even where it is) and doesn't speak a word of Italian. To say that Italy--the land of fine wines, extremely small cars, and football americano --holds a few surprises for Rick Dockery would be something of an understatement. . . .
