## SAMS TEACH YOURSELF ICLOUD IN 10 MINUTES

Condition: New. Publisher/Verlag: Sams | Apple's new iCloud service connects people's iOS 6 devices together with their Windows and Mac computers. It does this by creating a "cloud" storage space with which all configured devices communicate. The cloud stores the information that it receives from each device and communicates that information to the other devices connected to it. iCloud is not only a very powerful service, but it is also free. Because it is integrated into iOS 6, widespread adoption...
