Reviews

This book is great. it absolutely was writtern quite properly and beneficial. Its been written in an extremely basic way and it is merely after i finished reading through this ebook in which basically changed me, affect the way i really believe.
(Leopold Schmidt)

WHEREVER I AM I WANT TO BE SOMEWHERE ELSE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Here is Dave Wheeler at his rapid-fire best - observations on politics, culture, and everyday life in a fast-changing, hyper-connected world. In *Adventures in Consumerism*, he muses on personal ads, greedy business owners, and low-wage shopping encounters. Tackling controversial issues in *American Interests*, he ponders modern-day indentured service, exposes the politics of fear, and takes both Bill O Reilly and Occupy Wall Street to task. Looking ahead in *New Frontiers*, he predicts the rise of insect farming (*Cockroach Pie, Anyone?*) and questions the value of Twitter (*Twitter Me This*). Finally, in *Maunderings*, he wonders what s so damned important about the Higgs-Boson discovery, identifies with a hermit, and professes his love for a frying pan. Along the way, he introduces us to the people, real or imagined, in his life: an amateur comedian named Bruno (*Amateur Hour*), his technologically-challenged mother (*Digital Divides*), along with nods to great American individualists like Kinky Friedman, Johnny Cash, and the late singer-songwriter Vic Chesnutt. *Wherever I Am I Want To Be Somewhere Else* offers a sharp look at modern-day America. There s even a recipe.
