Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

COMMANDER RONI (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Commander Roni and Willy can neither walk nor talk, but foil a terrorist plot. The terrorists are trained killers, but nothing could prepare them for Commander Roni and Willy. Occasionally, a new genre of writing comes along to give us new concepts and new understanding. Commander Roni, is the first novel in the Diifability Fiction genre. Whenever you learn something new, or find yourself in a new situation, you learn new concepts and metaphors that give you new and greater perspectives and abilities. When you become a caregiver, you learn about a world that most of us who walk and talk, and function in the normal world, could never imagine. You learn about the power of hope and hopelessness. You learn about the strength of the human spirit, and you learn things that don t fit into normal concepts of reality. I worked with children and adults with severe disabilities. These people often demonstrated abilities to control their minds, and to understand the world, in ways that were beyond me. Often, even their own parents were blind to these abilities. Some were even hostile when I suggested that their children might be able to do things we couldn t, or understand the world in ways we had no way of making real. What I suggested violated normal reality, yet, if you ve been a caregiver, you know sometimes normal reality isn t big enough to include what you experience. When you lose ability, you gain compensating ability. You may not recognize the ability, nor its worth. It may not make sense in the normal world. The rules in a walking, talking world, are made by people who know only the...
