Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to Disappear and Start a New Life, How to Get a Completely New Identity, How to Delete yourself From the Internet My name is Raymond Phillips; I graduated in 1996 with a Bachelor s degree in Criminal Justice. After graduating, I went to work for a private security firm as an analyst and during my time there I was assigned to a big corporate client who was involved in some illegal activities and unfortunately I was exposed to their actual act of crime. Afterward, I found myself running for my own safety and had to disappear seven years ago. Just two years ago the issues were finally resolved as they got exposed by the law enforcement and that business entity no longer exists and I was able to reappear. I sacrificed five most valuable years of my life running from them. In those five long years I used many innovative methods to keep myself from everyone and was able to stay alive, and since I got back, I started a new business as a top notch privacy expert, I now work as a consultant for a few large multinational businesses. I started writing this book while I was away to help people that find themselves in similar situations for whatever reasons, but after writing a few chapters, I realized it would be impossible for me to publish it as I would leave enough paper trail which can jeopardize my own safety again. So I put the project on the back burner and forgot about it. Recently I was looking through some of the old files that I kept on a flash drive and found the file containing those chapters...
