DAVID J. FAIRHEAD PRESENTS FIENDS OF THE FLESH (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Combine horror with pitch dark emotion and human drama. Fiends of the Flesh will fit the needs of the thrill seeker inside us all that is looking for a new ride into the void of frenzied fear. You are officially welcome on a journey through an incredible gathering of fiends telling their tales in this anthology currently residing in your fingers. This veritable smorgasbord of stories will convalesce your hunger for terror; ranging from assassins to aliens, ghosts to gangsters, monsters to maniacs: A compilation of creepy tales to keep your blood and imagination racing till you get to the final pages. What better temptation is there but to flick that page to get your final answers, only to start a new stroll into a fresh and welcoming black tunnel? Dare we say that there are some heartwarming moments that appeal to our human side while delving into these nightmarish scenarios? Sometimes there is nowhere or nobody to turn to when the lights go out. So take this handbook (so to speak) with you into the night and be prepared rather than scared of the unknown. You see, we are the Fiends of the Flesh, and we know what frightens you or in some cases, entices you to open that doorway that leads to sites beyond comprehension. We invite you to a chuckle or two of course. Humor and horror have been known to cross similar paths when the outrageous becomes something tangible. Overall, find your comfy corner of the universe and enjoy tales from Burning Bulb veterans like Rich Bottles Jr., Nelson W. Pyles, Jon Towers, David J. Fairhead, Michelle Bowser, Solon Tsangaras and Paul Wargelin. Then you will also get..
