It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Consequently I am adding several chapters expressly for that class of campers, and I treat the matter of outfitting much more fully than before. It is not to be supposed that experienced travelers will agree with me all around in matters of equipment. Every old camper has his own notions about such things, and all of us are apt to be a bit dogmatic.
