In this spirited exploration of our relationship with technological devices, Zomorodi s melodic voice beckons and inspires listeners to develop a deeper understanding of how tech devices affect our potential. Zomorodi persuasively conveys her compelling points on the need for reflection to make room for enlightenment in this age of technological overload. -- AudioFile Magazine It s time to move doing nothing to the top of your to-do list. In 2015 Manoush Zomorodi, host of WNYC s popular podcast and radio show Note to Self, led tens of thousands of listeners through an experiment to help them unplug from their devices, get bored, jump-start their creativity, and change their lives. Bored and Brilliant builds on that experiment to show us how to rethink our gadget use to live better and smarter in this new digital ecosystem. In this fascinating new audiobook, Manoush explains the connection between boredom and original thinking, exploring how we can harness boredom s hidden benefits to become our most productive and creative selves, without totally abandoning our gadgets in the process. Grounding...
