Who doesn't like Vampires? If you love them, come with me on this journey, join the two types; RV-royal vampires and the BFV-bottom feeder vampires. They are just alike and strangely different. Hate humans, but longing for their blood. I don't know, scary. Thank God! for Angels, they show how much love they have for humans, what they're ready to do to keep them from the evil that is threatening to destroy all Mankind. Beware, of what is lurking around the corner, pay particularly close attention to your neighbors, especially if they only come out during the night hours. Wait! Did they find a way to show, during the sun hours?
