Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It used to be that for Detective Casey Gunter, right and wrong were set in stone. It was after all why she became a cop. The love of the law and all that fun stuff. But that was until she met Jasmine, a trained assassin she had hunted for years. Irresistible and dangerous, she got drawn into a world where she now has to question all the things she knows. Then events start to unravel real quick. With Jasmine always disappearing and she wanting her more than she cared to admit, Casey follows the clues that have led her down a dangerous road. Caught in the snares of a dirty cop and a corrupt FBI agent, her life hangs in the balance. The only thing standing between her and death would be the assassin who made love to her like no other woman ever had, but didn't stay around long enough for her to get used to it.
