RECORDING VOICEOVER: THE SPOKEN WORD IN MEDIA (PAPERBACK)

Taylor Francis Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. The only book on the market to specifically address its audience, Recording Voiceover is the comprehensive guide for engineers looking to understand the aspects of capturing the spoken word. Discussing all phases of the recording session, Recording Voiceover addresses everything from microphone recommendations for voice recording to pre-production considerations, including setting up the studio, working with and directing the voice talent, and strategies for reducing or eliminating distracting noise elements found in human speech. Recording Voiceover features in-depth, specific recommendations for recording radio and television commercials, corporate communications, documentaries, tracks for gaming and animation, radio drama, interviews and roundtable discussions. A discussion of the voice in film and television is also included. Special attention is paid to the final release format and its impact on recording strategies. Exploration of using telephone interfaces - including both analogue and digital ISDN, as well as recording across the internet - is included.
