OUR CAREGIVERS: STORIES FROM OUR NURSING HOMES (PAPERBACK)

Outskirts Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Astonishing answers to unspoken questions revealed! Elderly care is a very secret business nowadays. How well - and how poorly - we treat our elderly, our mothers and fathers and relatives, is not something that is often talked about. We d like to think that our relatives are well-taken care of in the retirement homes we ship them off to, but sometimes that s not the case. Few Americans are aware of the abuse that is rampant in some retirement and convalescent homes. The abusers are their so-called caregivers, who pledge their lives to give their patients comfort in the last few years or months of their lives. America needs to be exposed to these well-kept secrets.
