Brand New Book ***** Print on Demand *****.Tears of My life is the unforgettable account of a dreaded famine that has claimed many lives. It is the story of Kofi - The author, whose courage to survive amid scoundrels is rare. His torturous struggles, worsened due to the death of his father, have inevitably left some dark stories-tales that gave birth to dangerous child labor. His luxury of food was nothing more than dried palm nuts with herbs or unripe mangoes. In abject poverty, he started school under a big mango tree and later in an old structure with palm-kernel walls. Looking back at his past, his many sufferings as a sand-winner, minor road construction laborer, and a lot more during his teen ages, Kofi felt that he was abused, victimized, and enslaved by his own people, and that was why he envisioned suicide as his last resort after the false betrayal of an evil friend. His awesome survival of partial blindness, inflicted grief, and undesirable dejection has lifted him beyond the odds with great hopes for the suffering children around the globe. As the reader goes through the dreaded facts of every wretched situation with him, Kofi smiles at the memories that lie like dust and ashes on his heart, while his enemies rot in the doldrums with shame, devastation, and hopelessness. Through each near-fatal struggle, you ll find yourself enduring his pain, comforting his dejection, and fighting for his will to survive. This inspirational story will remind you of the truth about child labor and the ability we all have to make a difference.
