Reviews

It is really an incredible publication that we have possibly study. Of course, it really is engage in, continue to an interesting and amazing literature. You are going to like how the writer compose this publication.
(Bailey Lehner)

SKY BURIAL

Copper Canyon Press, United States, 2011. Paperback. Book Condition: New. New ed.. 226 x 150 mm. Language: English . Brand New Book. Readers will find that this work carries the pulse of their darkest sorrows, in the breath of their humanity. Highly recommended. -- Library Journal Intimate and hypnotic. -- Ploughshares Levin has the skilled ear, magnificent tongue, and fierce mind of the truly prophetic. -- Rain Taxi Levin s work is phenomenological; it details how it feels to be an embodied consciousness making its way through the world. -- Boston Review Death is the new and unshakeable lens through which I see, writes Dana Levin about her third book, in which she confronts mortality and loss in subjects ranging from Tibetan Buddhist burial practices to Aztec human sacrifice. Shaped by dreams and the worms and the gods, these poems are a profound investigation of our inescapable fate. As Louise Gluck has said: Levin s animating fury goes back deeper into our linguistic and philosophic history: to Blake s tiger, to the iron judgments of the Old Testament. They took you in an ambulance even though you were dead, they took you and my sister said Why are you saving her if she is dead? shey shey-- Curve of sky a crescent blade. Vultures wheeling on thermal parapets, shunyata, void that flays-- Yak butter, barley flour and tea: you watch him make the paste. Dana Levin s debut volume In the Surgical Theatre won the prestigious APR/Honickman First Book Prize. She teaches creative writing at the University of New Mexico and in the Warren Wilson College MFA Program. She lives in Santa Fe, New Mexico.
