This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2004. Softcover. Book Condition: New. First Edition. Although the innate urge to know God is present in everyone, few people know how to actually experience the reality of God. Every soul as an individualized unit of pure consciousness is living on God now. This truth (fact) only has to be acknowledged and realized. When we know God as God is, our awareness is no longer ordinary (fragmented and blurred by mental and emotional confusion and subconscious influences) it is illumined (clarified). Printed Pages: 140.
