The really serious problem is assimilation. - Samuel P. Huntington From its very beginnings, the United States has been an immigrant nation. It has been built on the shoulders of immigrants from every imaginable part of the world and, up to this day, is being sustained by the ancestors of these immigrants. I therefore agree with Samuel Huntington that immigration itself cannot be America's problem. However, Huntington's claim remains that assimilation is the really serious problem. What exactly is wrong with assimilation Does the kind of assimilation that we observe today work at all Should ethnic minorities and immigrants assimilate more into mainstream American culture or would that be detrimental for them in a way that is not tolerable The latter will be the central question I will be posing in this paper. On the one hand, one's immediate reaction to this central question might be a definite 'no, they should not assimilate'. 'No' because the term 'assimilation' somehow carries negative connotations of small-mindedness and nationalistic fervor, that one might be hesitant to support, 'no' because it seems impossible to streamline human beings to fit a certain image, and 'no' because it seems illogical that immigrants should have to assimilate to something that is so diverse as the American culture. On the other hand, today's American society surely is not fully integrated. In so many instances, socioeconomic, cultural, political, and linguistic gaps stretch all the way across...
